Dear Mr. Nichols:

This letter is to inform you that Natural Resource Inventory/Forest Stand Delineation (NRI/FSD) 420080510, Ashton Meeting Place, is approved. A forest conservation plan can now be submitted to the Development Review Division in conjunction with any application to which it is a necessary component, or directly to Environmental Planning staff if not associated with an application before the Planning Board.

Since the property is subject to the Montgomery County Forest Conservation law there shall be no clearing of forest, understory, or tree removal on the subject site prior to the approval of a final forest conservation plan. If there are any subsequent modifications to the approved plan, not including changes initiated by a government agency, a separate amendment must be submitted to M-NCPPC for review and approval prior to the submission of a forest conservation plan.

If you have any questions regarding these actions, please feel free to contact Mary Jo Kishter at (301) 495-4701.

Sincerely,

A handwritten signature in blue ink that reads "Mary Jo Kishter".
