Nichols Construction, Inc C/O Fred Nichols  
18623 Brooke Road  
Sandy Spring, MD 20860

Dear Mr. Nichols:

This letter is to inform you that Natural Resource Inventory/Forest Stand Delineation (NRI/FSD) Plan 420081680, Goddard School, is approved. A forest conservation plan can now be submitted to the Development Review Division in conjunction with any application to which it a necessary component, or directly to Environmental Planning staff if not associated with an application before the Planning Board.

Since the property is subject to the Montgomery County Forest Conservation law there shall be no clearing of forest, understory, or tree removal on the subject site prior to the approval of a final forest conservation plan. If there are any subsequent modifications to the approved plan, not including changes initiated by a government agency, a separate amendment must be submitted to M-NCPPC for review and approval prior to the submission of a forest conservation plan.

If you have any questions regarding these actions, please feel free to contact Amy Lindsey at (301)495-2189 or [amy.lindsey@mncppc-mc.org](mailto:amy.lindsey@mncppc-mc.org).

Sincerely,

A handwritten signature in blue ink, appearing to read 'Amy Lindsey', written over a printed name and title.

Amy Lindsey, Environmental Planner
