Dear Concerned Citizen:

Thank you for your recent correspondence asking that a planned improvement at the intersection of New Hampshire Avenue (MD 650) and Olney-Sandy Spring Road (MD 108) in Ashton be funded in the State Transportation Participation project. The Council appreciates hearing from you.

The Council will be holding a public hearing on the State Transportation Participation project on Tuesday, November 18. Subsequently we will evaluate the proposal from the Transportation, Infrastructure, Energy and Environment Committee as well as any other ideas, such as yours.

Again, thank you for sharing your concerns with the Council.

Sincerely,
Michael J. Knapp
Council President
